

CIR PROFESSIONAL SPLICER WITH TRANSPARENT NON PERFORATED ADHESIVE TAPE FOR 35mm FILM

INC 51/47

Technical
Achievement
Award
to
Dr.Leo Catozzo

“ The Catozzo-Splicer
has greatly assisted the
craft of film editing.
Incorporating the use
of self-perforating
adhesive tape,
the picture, dialogue and
music can be cut,
divided, joined, unjoined and
rejoined without losing
a single frame of film ”

M.3-35mm Special

- Micrometrical registration pins regulator to obtain always perfect butt splices
- Unroll tension controlled tape dispenser
- Spring-loaded knives, always ready for the next film cut

**Also available with additional diagonal cut for magnetic tape*

**We manufacture splicers
for all types of films :
CINEMATOGRAPHIC,
PHOTOGRAPHIC,
MICROFILM &
specials on request...**
